

COVID 19 PROCEDURES

EFFECTIVE 8/1/21

With the rise in cases, especially here in Florida, Premier is taking the following precautions to keep our kids and families safe!

1. Practices, Classes & Private Lessons are DROP OFF only. Our lobby will be closed at this time.
2. Masks must be worn upon entry by both adults and athletes.
 1. **While Palm Beach County has not issued a mask mandate, the CDC is currently recommending masks for all, regardless of vaccination status.**
3. Every athlete will have their temperatures taken and hands sanitized before entering the workout area.
4. We understand every family has different concerns. Keeping the mask on during workouts ***after passing temp checks and washing hands*** is up to each families discretion. We respect every families decision, as ask you do too.
5. Staff will be in masks during workouts.
6. Any signs/symptoms we ask you keep your child home. If there was exposure, we will require a negative test before resuming practices. If a child is demonstrating any signs during practices, we will ask you to pick up immediately.

We appreciate your cooperation while we navigate through and keep our kids safe! Please check our website and your emails frequently, as policies and procedures change often.
